VOLUME XXXVIII

TOMBSTONE, COCHISE COUNTY, ARIZONA, SUNDAY, APRIL 21, 1918

NUMBER 20

DRAFTED MEN WHO LEAVE IN NEXT CALL

LOCAL BOARD DRAWS 55 MEN TO
BE READY TO LEAVE BETWEEN
MAY 10 AND 15; TO CAMP Mc-
DOWELL, CALIF.

Following is the list of 55 drafted men who have been drawn by the local board to be sent to Camp McDowell, California, under Call No. 177. They will be entrained sometime between May 10th and 15th, the exact date to be fixed later, which has not yet been received by the board. The list, which is subject to change, is as follows:

Lindsey, W. C., Douglas.
McGee, Fred Homer, Douglas.
Blanco, Frank, Douglas.
Leedy, J. B., Bisbee.
Lurspring, Paul E., Los Angeles.
Lyons, J. M., Los Angeles.
Oliver, Harry J. C., San Francisco.
Lee, Wm. Powell, Paradise.
Hernandez, Toribio, Chiricahua.
Nichols, Johnston, Lowell.
Sanders, W. W., Paradise.
Aston, Zeno, Garces.
Douglas Earl Byron, Douglas.
Prince, John, Aurora, Minn.
Richards Prentiss, Douglas.
Chapin, Lord W., Constellation, Az.
Metropolis, Theo., Douglas.
Cliff, Rohan, Bisbee.
Garcia, Ernest E., Bisbee.
Goodman, Wm., St. David.
Thomas, Henry, Bonne Terre, Mo.
James, H. S., Garces.
Dujardin, Leopold, Detroit.
Beeman, W. S., Bisbee.
Dermod, J. H., Bisbee.
Fourr, Roy O., Dragoon.
Thomas, Oscar M., Mascot, Ariz.
Craig, Norman, San Pedro, Cal.
Thorn, Martin L., Wilcox.
Jennings, Sullivan R., Douglas.
Haver, R. L., Pasadena.
Gaylor, Knox, Copperhill, Tenn.
Boggs, J. B., Lowell.
Miller, Frank, Bisbee.
Bryor, W. B., Bisbee.
Stico, M. A., San Antonio, Tex.
Eagle, Edgar E., Bisbee.
Collins, Lawrence, Cananea.
Gibson, Jay, Phoenix.
Reed, James K., Durango, Cal.
Worthing, R. W., Douglas.
Ashman, W. G., Bisbee.
Dietrich, Wm., Miami.
Peeler, L. L., Douglas.
Patterson, T. L., Lang, Cal.
Buck, L. L., San Simon.
Lee, Oscar T., Navasota, Tex.
Kosal, Vademar, Chicago, Ill.
Klarig, Robt. N., Douglas.
Daly, Patrick, Lowell.
Bravin, John Ellery, Tombstone.
McDonald, J. C., Santa Ysabel, California.
Byle, Chas., Bisbee.
St. Louis, Leland, Los Angeles.
Mattila, Charles, Port Richey, Fla.
Steele, Benj., Los Angeles.
Melroe, Michael, Erie, Penn.
Hanner, Robt., Bicknell, Indiana.
Georgopoulos, A., Seattle, Wash.
Crane, Oscar V., Bisbee.
Beener, Fred, Douglas.
Washburn, G. M., Bisbee.
Traylor, Wm., Solomonsville, Ariz.
Skinner, R. E., Creede, Colo.
Kerr, Roy Dean, Tucson.
Amada, Jose, Pearce.
Orion, A. S., Bisbee.
Greenwade, T. E., Chilton.
Naylor, Herbert, San Francisco.
Wicks, Leonard, Superior, Ariz.
Winer, Samuel, Bisbee.

McADOO WILL REST
PHOENIX, Ariz. April 19.—Secretary of the Treasury McAdoo when he left here early this morning for the north stated that his schedule would be slightly disarranged, that he would stop tonight at Flagstaff and double back to Williams and go to Grand Canyon where he would rest for two or three days before starting on his return trip east. He was accompanied north from here by a few personal friends and members of the local Liberty loan committee. It was stated that he would probably briefly address a crowd at Prescott from his car.

SUPREME COURT SAYS JAMAICA GINGER IS BOOZE

PHOENIX, April 20.—The supreme court yesterday handed down opinions in a dozen matters, among them one in the case of E. F. Cooper, appellant, against the state, from Graham county. It is of special interest now in that it involves the status of Jamaica ginger as a beverage. The appellant had been convicted in the lower court of the sale of it; the fluid was 91 per cent alcohol, and one witness testified that by sweetening it could be made so palatable that it was easily possible to absorb enough of it to produce intoxication. It was the contention of the appellant that he sold it as a medicine. But the court held that "neither doctors nor druggists nor anyone else may sell or dispose of the named or described liquors as such or when compounded as a medicine." The provision of the statute, the court declared was not one of regulation but of outlawry. "It is one of suppression and not of supervision. The fact that ardent spirits are mixed with other ingredients and, as thus compounded, labeled Jamaica ginger and sometimes used for medicinal purposes, does not change the situation." Though the appellant may have thought, in good faith that he had a right to sell Jamaica ginger, that could be given consideration only in fixing his punishment, but is unavailable as a defense.

COCHISE MAN CHOSEN VICE PRES. BANKHEAD ASSOCIA'N

DOUGLAS, April 20.—C. O. Ellis, of Douglas, yesterday at Little Rock was chosen vice president of the Bankhead Highway association, with two directors named from this state, Estill of Tucson, and Peterson of Phoenix. Lester, of El Paso, known as the father of the Borderland route, was chosen a Texas director. According to word received last night from John A. Boyle, one of the Douglas representatives at the Little Rock conference, the matter of selecting the route west of Little Rock will be decided during the coming year by pathfinders. He said that there was strong rivalry between Texas and Oklahoma, the fight put up by delegates from the two states being responsible for the postponement of the decision of the route to be taken.

Akers, D. C., Bonne Terre, Mo.
Wilson, V. L., San Diego.
Wolcomb, J., Globe.

COUNTY COUNCILS ARE ASKED TO ASSIST DRAFT

PHOENIX, April 19.—The state council of defense has received a wire from the national council to urge its county councils to assist in filling out occupational index cards, required by Provost Marshal General Crowder from each man enrolled in the draft. Until transcription of these occupational cards is completed, the United States army must wait for vitally needed skilled workmen. This, therefore, is a national emergency. Each local council is asked to go to each draft board and inquire the number and type of assistants needed. In some localities it is said that the local boards are overburdened, even though delegations of school teachers have offered patriotic assistance. This matter is considered extremely urgent.

NEW CORNELIA LARGEST CRUSHER IN ARIZONA

TUCSON, April 19.—The New Cornelia works at Ajo are said to have the largest crusher in Arizona, capable of handling 5,000 tons a day of 10 hours. The company now is preparing plans for its sulphide ores and for a reverberatory furnace smelter in which to make copper from the concentrates.

In the Reiniger-Freeman property in the Twin Buttes section, a vein cut on the 208 level is reported to sample 50 ounces silver and \$5 in gold.

Contracts for Dos Cabezas Ore

The new Pima Mining & Smelting Co. has contracted for the output of a Dos Cabezas property from which will be received an average of 75 tons a day of fair grade copper ore. The enterprise expects to do custom work in preference to handling ores of its own. William Kemp, of Tucson, has been employed as ore buyer.

Native copper in considerable quantity has been found in the Queen mine of Twin Buttes district, in a mineralized zone 25 feet wide.

Cochise is Over the Top In 3rd Loan

Cochise County has gone Over the Top in the Third Liberty Loan!

This was the word sent broadcast this morning by Chairman A. C. Lockwood of the Liberty Loan committee, on receipt of word from Chairman J. N. Gaines from Bisbee, who has been in charge of Bisbee and Douglas during the drive.

The total subscription up to this morning was \$1,800,000 while the quota for the county is \$1,700,000. This is considerable over the quota and it is predicted that Cochise will oversubscribe to the extent of \$3,000,000 by the time the campaign closes.

The first town in the county to reach its quota was Pearce, who went over the top last Saturday, a week ago and are now on the road to their second star in the Honor Flag. Tombstone was second to reach its quota and reached its first star Thursday night, and it is predicted will make another star by the time the drive ends.

Bisbee was third to reach its quota when the figures were given out late last night, which brought the county totals passed its quota mark.

GOOD REPORT FROM BLACK

PRINCE MINE IN BLANCAS
GLOBE, April 19.—F. G. Lane has just returned from the Black Prince mine, located in the Sierra Blancas, about 87 miles west of Tucson, and about 40 miles from Ajo. Accompanying him on this trip were Elmer Weaver, F. W. Rolando, J. Faught, C. B. Culver and Wiley Faught.

Members of the party brought back samples pronounced by experts here to be as interesting as any of their kind and type seen in many a day. The mine itself is a lead-copper and silver property.

CIVIL CASES FILED IN SUPERIOR COURT

August F. Borrego, as administrator of the estate of Lorenzo Vasquez, has brought suit against the Phelps-Dodge corporation for damages in the sum of \$10,000. Vasquez was one of the Mexicans who lost his life in the first explosion on Sacramento hill. He was also a witness in the case of the State vs. Miguel Alverado, which is set for trial next week. Alverado is charged with killing another Mexican in Upper Brewery Gulch about eight months ago. Vasquez was the only witness to the killing and it is possible that the case will have to be dismissed unless the testimony given at the preliminary and at the coroners inquest is introduced.

Henry E. Thomas has brought suit against the Occidental Life insurance company to collect a life insurance policy.

SCHWAMM ARRESTED FOR VIOLATION OF ESPIONAGE ACT

DOUGLAS, April 20.—William E. Schwamm, who Thursday morning was dismissed from jury service because Douglas members of the jury refused to serve with him, yesterday afternoon was arrested by Justin C. Despit of the department of justice and held in \$10,000 bail for preliminary hearing before United States Commissioner H. C. Beaulier next Thursday. John Mohr and H. Rivera went on his bond. Schwamm is accused of violating the espionage act by making seditious utterances.

The specific charges against Schwamm have not been revealed and will not be obtainable until the hearing.

In connection with the charge that Schwamm has been a Liberty loan slacker, a local attorney made the statement that Schwamm did not directly purchase a bond during the second loan drive, but took a \$50 bond from a smelterman who owed him \$40, threatening to garnish the debtor's wages. The attorney says the smelterman was a client of his.

BODY OF WOMAN IS LOCATED IN LAKE

GLOBE, April 20.—Coroner E. H. McEachren and Constable Henry Nichols, of Miami, left yesterday morning for Roosevelt where they will conduct an inquest over the remains of Agnes Faira, whose body was found in the lake early in the morning by a searching party led by J. R. Williams. It was located under the surface a short distance from the shore adjacent to the hotel. It is believed that she committed suicide in view of the fact that she was recently an inmate of the state asylum for the insane.

TAX COMMISSIONER SAYS TOMBSTONE WILL COME TO FRONT AGAIN

PHOENIX, April 20.—"The Copper Queen company at Bisbee is rapidly removing the overburden of their copper deposits in the porphyry hill locally known as Sacramento hill," said C. M. Zander, chairman of the state tax commission, yesterday.

The tax commission has just returned from a visit of more than a week inspecting the mining properties of that district.

"This removal," continued Mr. Zander, "is preparatory to large concentrating operations which will begin as soon as it is physically possible to get ready for it. The Copper Queen company, or rather the Phelps-Dodge company, has just closed down the mill on their Bunker Hill property at Tombstone. This mill was old and unsuited for this class of ore. The company is now sinking a development shaft with a view of determining the extent of ore and will put up a test mill at Douglas in which to work out the proper method of treatment. There is a very large deposit of manganese and silver at Tombstone, and at present no method has been devised to successfully treat it."

"It will be interesting to watch the result of a test mill. Should a method be worked out to treat these ores successfully, Tombstone will have another lease of life."

COLODNY MAY BE CANDIDATE FOR STATE SUPT.

TUCSON, April 20.—I. Colodny, former professor in the University of Arizona and recently named head of the Department of Vocational Education by Governor Hunt, is in the city to attend the meeting of the Arizona State Teachers' association. Mr. Colodny, according to reports on the University campus, may be a candidate for the Democratic nomination for superintendent of public instruction in the September primary. He would have the Hunt support.

W. G. Hummell and Ben W. Johnson representing the federal government's department of vocational education are here attending the meeting. The question of whether Arizona schools will actively participate is under discussion. Superintendents of Arizona schools are insisting that the requirements be modified to meet Arizona conditions.

WILLIAMS CASE TO JURY TONIGHT

DEFENDANT HAS BEEN ON STAND
ALL AFTERNOON; KOCH HARD
GRILLED YESTERDAY; NIGHT
SESSION TONIGHT

The case of the State vs. D. D. Williams, which has been on in the Superior Court yesterday, and today will be completed by tonight, when the arguments will be had at a night session, and the case given to the jury. The taking of testimony occupied all of yesterday and today. Fred Koch, with whom Williams is charged with being associated in the crime, when Cashier T. R. Brandt, was shot in the attempted hold-up of the bank, was on most of the day yesterday, having been hard grilled by attorney for the state and for the defense. A number of other witnesses were on today, and part of yesterday and this afternoon the defendant has been on the stand most of the afternoon and will be the last witness for the defense. The case will go to the jury at a night session tonight when the arguments will be heard. County Attorney J. F. Ross and Assistant Bruce Stephenson are for the state while Attorney W. G. Gilmore and J. T. Kingsbury are for the defendant.

LEGISLATURE CALLED IN SPECIAL SESSION ON MAY TWENTY-ONE

PHOENIX, April 19.—Yesterday Governor Hunt issued the proclamation convening the legislature in special session and fixing the date for May 21. The following legislative subjects are mentioned in the call:

A law giving the right of vote to Arizona soldiers during the war wherever located and providing for the rights and care of dependents at home.

To legalize the Arizona Council of Defense and clothe it with authority to meet emergencies and for its maintenance.

To permit the investment of public state funds and trust funds in Liberty bonds and in bonds issued under the federal laws and acts to encourage Americanization of all aliens in the state.

Dairy legislation to help that industry.

Other matters mentioned are ratification of national prohibition and the national woman suffrage amendment and to reimburse Tom Campbell for his services as governor last year.

Secretary McAdoo spoke here last night to a great and enthusiastic audience. He left this morning for Grand Canyon, whence he goes to Albuquerque.

BACK TO PHOENIX.

State Examiner E. S. Rountree, who has been in Tombstone the past several weeks, went back to Phoenix yesterday, on account of illness. His assistant, E. S. Bamford, will remain in Tombstone during the next week and will complete the check of the county offices.
